Microscope Final Project: Planning Sheet

Name: _____ **Grade:** _____ **Date:** _____

1 Pick ONE lesson to teach.

- ☐ Dots, letters, and images
- ☐ Fabric fibers
- ☐ Fungi (bread samples)
- ☐ Flipped and inverted images
- ☐ Microbes and protists (river water)

2 Why did I pick it? *(What surprised or interested me?)*

3 What I saw. *Think about: color, shape, size, how it moved or felt.*

Sketch: with my eyes alone

Sketch: through the microscope

4 What I noticed. *(How was it different from something else I looked at?)*

5 What I learned.

6 God's design. *Pick a CSB verse and tell why it fits.*

Psalm 111:2: "The Lord's works are great, studied by all who delight in them."
Psalm 139:14: "...I have been remarkably and wonderfully made. Your works are wonderful..."

7 My big question. *(What do I still wonder?)*

My Talk Plan (2-4 Minutes)

Write a few key words for each part. Don't write every word. Look at your audience!
